

## 2018 OWNERSHIP COSTS REDUCED WITH Section 179

### Program Benefits

Section 179 of the IRS tax code lets businesses deduct the full purchase price of qualifying equipment financed during the tax year, up to \$1 million. Bonus depreciation is also available to those who purchase over \$2.5M in qualifying equipment!

Instead of depreciating newly acquired equipment over several years, you can take the full deduction NOW and save real money on your bottom line. You need to purchase your equipment and have it in service by the end of the calendar year.
